Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On December 10, 2010, the Compensation Committee (the “Committee”) of the Board of Directors of MSCI Inc. (the “Company”) approved the grant of a special one-time price and time vested stock option award to Henry A. Fernandez, the Company’s Chief Executive Officer, President and Chairman.

The Committee approved the special one-time price and time vested stock option award in an aggregate amount of \$3,500,000, consisting of four tranches equally valued at \$875,000. The number of options awarded under each tranche is set forth in the table below and was determined by dividing the dollar amount of each tranche by a value calculated for that tranche using a Monte Carlo simulation based on the closing price of the Company’s class A common stock at the close of business on December 13, 2010, which was \$36.70. The option will not be fully vested and exercisable unless both time and price vesting conditions are satisfied. The time and price vesting conditions of each tranche are also set forth in the table below.

Following termination of employment as a result of death, disability, involuntary termination by the Company or a government service termination, the option will time vest and price vesting conditions may be satisfied during a specified period following termination. The option has a term of ten years. The special one-time price and time vested option award was granted under the MSCI Inc. 2007 Amended and Restated Equity Incentive Compensation Plan.

⁽¹⁾ The options will time vest beginning on the second anniversary of the Grant Date of December 14, 2010 and continue on each of the following three anniversaries thereof.

⁽²⁾ Between fulfillment of each service requirement and the end of the stock option term, the closing stock price must be at or above the price target for 20 consecutive trading days.
