Notes Offering

On November 7, 2019 (the “Closing Date”), MSCI Inc. (the “Company”) issued a press release announcing the completion of its private offering of \$500.0 million in aggregate principal amount of 4.000% Senior Notes due 2029 (the “Notes”). The Notes will mature on November 15, 2029. The Company intends to use the net proceeds from the offering of the Notes for general corporate purposes, including, without limitation, buybacks of its common stock and potential acquisitions. The press release is filed as Exhibit 99.1 hereto and is incorporated by reference.

In connection with the issuance of the Notes, the Company entered into an Indenture, dated as of the Closing Date (the “Indenture”), among the Company, the subsidiary guarantors party thereto, and Wells Fargo Bank, National Association, as trustee (the “Trustee”). The terms of the Indenture provide that, among other things, the Notes are senior unsecured obligations of the Company and the subsidiary guarantors and will rank equally with any of the Company’s unsecured, unsubordinated debt, senior to any of the Company’s subordinated debt, will effectively be subordinated to any of the Company’s secured debt to the extent of the assets securing such debt and be structurally subordinated to all existing or future liabilities of the Company. The Company’s obligations under the Notes are fully and unconditionally, and jointly and severally, guaranteed by the subsidiary guarantors.

Interest on the Notes accrues at a rate of 4.000% per annum. Interest on the Notes is payable semiannually on May 15 and November 15 of each year, commencing on May 15, 2020. The Company will make each interest payment to holders of record of the Notes on the immediately preceding May 1 and November 1.

Optional Redemption. At any time prior to November 15, 2024, the Company may redeem all or part of the Notes upon not less than 30 nor more than 60 days’ prior notice at a redemption price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) a make-whole premium as of the date of redemption, plus (iii) accrued and unpaid interest and additional interest, if any, thereon, to the date of redemption. In addition, the Company may redeem all or part of the Notes on or after November 15, 2024, at redemption prices set forth in the Indenture, together with accrued and unpaid interest. At any time prior to November 15, 2022, the Company may use the proceeds of certain equity offerings to redeem up to 35% of the aggregate principal amount of the Notes at a redemption price equal to 104.000% of the principal amount, plus accrued and unpaid interest, if any, to the redemption date.

Repurchase upon Change of Control. Upon the occurrence of a change of control triggering event (as defined in the Indenture), each holder of the Notes may require the Company to repurchase all or part of the Notes in cash at a price equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, thereon to the date of repurchase.

Other Covenants. The Indenture contains covenants that limit the Company’s and certain of its subsidiaries’ ability to, among other things, create liens, enter into sale/leaseback transactions and consolidate, merge or sell all or substantially all of the Company’s assets. In addition, the Indenture restricts the Company’s non-guarantor subsidiaries’ ability to create, assume, incur or guarantee additional indebtedness without such non-guarantor subsidiaries guaranteeing the Notes on a pari passu basis.

Events of Default. The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include non-payment, breach of covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. Generally, if an event of default occurs, the Trustee or holders of at least 25% in principal amount of the then-outstanding Notes may declare the principal of and accrued but unpaid interest, if any, including additional interest, if any, on all the Notes to be due and payable immediately.

The foregoing description of the Indenture and the Notes is qualified in its entirety by reference to the full text of the Indenture, a copy of which is attached hereto as Exhibit 4.1, and the Notes, the form of which is attached hereto as Exhibit 4.2, both of which are incorporated herein by reference.

The notes are being offered only to (i) persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”) and (ii) certain non-U.S. persons outside the United States pursuant to Regulation S under the Securities Act. The notes have not been registered under the Securities Act or any state securities laws and therefore may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. This report does not constitute an offer to sell or the solicitation of an offer to buy the notes, nor shall it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Exhibit A — Form of Note

Exhibit B — Form of Supplemental Indenture

INDENTURE dated as of November 7, 2019, between MSCI INC., a Delaware corporation (the “Company”), each SUBSIDIARY GUARANTOR from time to time party hereto (collectively, the “Subsidiary Guarantors”) and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association organized under the laws of the United States, as trustee (the “Trustee”).

Each party agrees as follows for the benefit of the other parties and for the equal and ratable benefit of the holders of (a) the Company’s 4.000% Senior Notes due 2029 (the “Original Notes”), and (b) any Additional Notes (as defined herein) that may be issued (all such Notes in clauses (a) and (b) being referred to collectively as the “Notes”).

ARTICLE 1.

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.1 Definitions.

“Additional Notes” means 4.000% Senior Notes due 2029 issued under the terms of this Indenture after the Issue Date and in compliance with Section 2.14.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“Agent” means any Registrar, Paying Agent, authenticating agent, or Custodian.

“Applicable Premium” means with respect to a Note at any redemption date the excess of (if any) (a) the present value at such redemption date of (i) the redemption price of such Note on November 15, 2024 (such redemption price being described in the second paragraph of Section 5 of the Notes, exclusive of any accrued interest) plus (ii) all required remaining scheduled interest payments due on such Note through November 15, 2024 (but excluding accrued and unpaid interest to the redemption date), computed by the Company using a discount rate equal to the Treasury Rate as of such date of redemption plus 50 basis points, over (b) the principal amount of such Note on such redemption date.

“Applicable Procedures” means, with respect to any payment, tender, redemption, transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depository, Euroclear and Clearstream, in each case to the extent applicable to such transaction and as in effect from time to time.

“Attributable Debt” in respect of a Sale/Leaseback Transaction means, as at the time of determination, the present value (discounted at the interest rate borne by the Notes, compounded annually) of the total obligations of the lessee for rental payments during the remaining term of the lease included in such Sale/Leaseback Transaction (including any period for which such lease has been extended).

“Board of Directors” means the Board of Directors of the Company or any committee thereof duly authorized to act on behalf of such Board or, in the case of a Person that is not a corporation, the group exercising the authority generally vested in a board of directors of a corporation.

“Business Day” means each day which is not a Saturday, a Sunday or a day on which banking institutions are not required to be open in the State of New York.

“Capital Stock” of any Person means any and all shares, interests (including partnership, membership, beneficial, limited liability or other ownership interests), rights to purchase, warrants, options, participations or other equivalents of or interests in (however designated) equity of such Person, including any Preferred Stock, but excluding any debt securities convertible into such equity.

“Change of Control” means the occurrence of any of the following:

- (a) any “person” or “group” (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act), is or becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 35.0% of the total voting power of the Voting Stock of the Company (or its successor by merger, consolidation or purchase of all or substantially all of its assets), other than by the imposition of a holding company, the beneficial owners of whose Voting Stock would not have caused a Change of Control if such beneficial owners had directly held the Voting Stock of the Company held by such holding company;
- (b) the adoption of a plan relating to the liquidation or dissolution of the Company;
- (c) the first day on which a majority of the members of the Board of Directors of the Company are not Continuing Directors; or
- (d) the merger or consolidation of the Company with or into another Person or the merger of another Person with or into the Company, or the sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation, in one or a series of related transactions) of all or substantially all the assets of the Company (determined on a consolidated basis) to another Person other than a transaction, in the case of a merger or consolidation transaction, following which holders of securities that represented 100.0% of the Voting Stock of the Company immediately prior to such transaction (or other securities into which such securities are converted as part of such merger or consolidation transaction) own directly or indirectly at least 50.0% of the voting power of the Voting Stock of the surviving Person in such merger or consolidation transaction immediately after giving effect to such transaction.

“Change of Control Triggering Event” means, with respect to the Notes, (a) the consummation of a Change of Control, (b) the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date during the period (the “Trigger Period”) commencing on the first public announcement by the Company of any Change of Control (or pending Change of Control) and ending 30 days following consummation of such Change of Control (which period shall be extended following consummation of a Change of Control for so long as any of the Rating Agencies has publicly announced that it is considering a possible ratings downgrade) or the rating of the Notes is withdrawn within the Trigger Period by each of the Rating Agencies and (c) the rating of the Notes is lowered by any of the Rating Agencies during the Trigger Period; provided that a Change of Control Triggering Event will not be deemed to have occurred in respect of a particular Change of Control if each Rating Agency making the reduction in rating does not publicly announce or confirm or inform the Trustee at our request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the Change of Control. For the avoidance of doubt, no Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been consummated.

“Clearstream” means Clearstream Banking, société anonyme, or any successor securities clearing agency.

“Code” means the Internal Revenue Code of 1986, as amended.

“Company” means the party named as such in the Preamble hereto until a successor replaces it and, thereafter, means the successor and, for purposes of any provision contained herein and required by the Trust Indenture Act, each other obligor on the indenture securities.

“Company Order” means a written request in the name of the Company delivered to the Trustee and signed by one of the following officers of the Company: the Chairman of the Board, the President, the Chief Executive Officer, the Chief Financial Officer, any Executive Vice President, any Senior Vice President, the Treasurer or the Secretary.

“Consolidated Total Assets” means the consolidated total assets of the Company and its Subsidiaries, as shown on the most recent balance sheet of the Company.

“Consolidated EBITDA” means, at any date of determination, an amount equal to Consolidated Net Income of the Company and its Subsidiaries on a consolidated basis for the most recently completed Measurement Period plus (a) the following to the extent deducted (and not added back) in calculating such Consolidated Net Income (without duplication): (i) Consolidated Interest Charges, (ii) the provision for Federal, state, local and foreign income taxes and for foreign withholding taxes payable, (iii) depreciation and amortization expense, including any amortization of intangibles, (iv) non-cash charges (including founders’ grants made in connection with the initial public offering of the Company’s common stock and non-cash charges related to employee benefit or other management or stock compensation plans or expense, but excluding write-offs, write-downs or reserves with respect to accounts receivable or inventory (which write-offs, write-downs or reserves shall not be added back under any clause of this definition of Consolidated EBITDA (other than clause (b)(ii) below)) (provided that if any such non-cash charges represent an accrual or reserve for potential cash items in any future period, the cash payment in respect thereof in such future period shall be subtracted from Consolidated EBITDA in such future period to such extent, and excluding amortization of a prepaid cash item that was in a prior period), (v) unusual or non-recurring losses or expenses (including severance and relocation costs, one-time compensation charges, restructuring charges, integration costs and reserves), including such items related to acquisitions and to closure/consolidation of facilities, in an amount not to exceed, in the aggregate under this clause (v) for any Measurement Period, 5.0% of Consolidated EBITDA for such Measurement Period, (vi) transaction costs, fees and expenses (including swap breakage costs) in connection with any sale of equity interests, any acquisition or other investment, any disposition, the incurrence of, or any refinancing of, any indebtedness (in each case whether or not successful), (vii) any net after-tax loss from the early extinguishment of indebtedness or hedging obligations or other derivative instruments, (viii) costs of surety bonds incurred in connection with financing activities, (ix) mark-to-market losses recognized pursuant to FASB ASC Topic 815 or any successor thereof, (x) to the extent reimbursement therefor is actually received by the Company or a Subsidiary, expenses incurred to the extent covered by indemnification provisions in any agreement in connection with any acquisition and (xi) cash expenses incurred during such period in connection with casualty events to the extent such expenses are reimbursed in cash by insurance during such period and minus (b) the following to the extent included in calculating such Consolidated Net Income (without duplication): (i) Federal, state, local and foreign income tax credits, (ii) all non-cash items increasing Consolidated Net Income (excluding any such non-cash item to the extent it represents the reversal of an accrual or reserve for potential cash item in any prior period or reversal of a reserve with respect to accounts receivable or inventory which reduced Consolidated EBITDA hereunder in a prior period), (iii) unusual or non-recurring gains or income, (iv) any net after-tax income from the early extinguishment of indebtedness or hedging obligations or other derivative instruments, and (v) mark-to-market gains recognized pursuant to FASB ASC Topic 815 or any successor thereof (in each

case of or by the Company and its Subsidiaries for such Measurement Period); provided that (x) there shall be excluded in determining Consolidated EBITDA non-operating currency transaction gains and losses (including the net loss or gain resulting from swap contracts for currency exchange risk) and (y) Consolidated EBITDA shall be determined on a Pro Forma Basis. The calculation of Consolidated EBITDA shall exclude any non-cash impact attributable to the reduction in deferred revenue or reduction in deferred costs to balance sheet accounts as a result of the fair value exercise undertaken as required by purchase method of accounting for any acquisition permitted hereunder, in accordance with GAAP (such exclusion to be reflected in the period in which such revenues or costs would have been recorded had such reduction not been required).

“Consolidated Interest Charges” means, for any Measurement Period, the sum, without duplication, of (a) all interest, premium payments and debt discount in connection with borrowed money (including capitalized interest) or in connection with the deferred purchase price of assets, in each case to the extent treated as interest in accordance with GAAP but, in any event, excluding upfront fees and expenses and the amortization of deferred financing costs (including, for the avoidance of doubt, any upfront fees, expenses or amortized deferred financing costs accelerated upon giving effect to amendments to the Company’s credit agreements and the transactions contemplated thereby), and (b) the portion of rent expense under capitalized leases that is treated as interest in accordance with GAAP, in each case, of or by the Company and its Subsidiaries on a consolidated basis for such period. For purposes of the foregoing, interest expense shall be determined after giving effect to any net payments made or received by the Company or any Subsidiary with respect to interest rate swap contracts.

“Consolidated Net Income” means, at any date of determination, the net income (or loss) attributable to the Company and its Subsidiaries on a consolidated basis for the most recently completed Measurement Period; provided that Consolidated Net Income shall exclude, without duplication, (a) any net after-tax extraordinary gains or losses for such Measurement Period and the cumulative effect of a change in accounting principles during such Measurement Period, (b) any net after-tax gains or losses on asset sales outside the ordinary course of business, (c) the net income of any Subsidiary (other than a Subsidiary Guarantor) during such Measurement Period to the extent that the declaration or payment of dividends or similar distributions by such Subsidiary of such income is not permitted by operation of the terms of its organization documents or any agreement, instrument or law applicable to such Subsidiary during such Measurement Period, except that the Company’s equity in the net income of any such Person for such Measurement Period shall be included in Consolidated Net Income up to the aggregate amount of cash or cash equivalents actually distributed by such Person during such Measurement Period to the Company or a Subsidiary Guarantor as a dividend or other distribution, and (d) any income (or loss) for such Measurement Period of any Person (other than the Company) if such Person is not a Subsidiary, except that the Company’s equity in the net income of any such Person for such Measurement Period shall be included in Consolidated Net Income up to the aggregate amount of cash or cash equivalents actually distributed by such Person during such Measurement Period to the Company or a Subsidiary as a dividend or other distribution (and in the case of a dividend or other distribution to a Subsidiary (other than a Subsidiary Guarantor), such Subsidiary is not precluded from further distributing such amount to the Company (or a Subsidiary Guarantor) as described in clause (c) of this proviso).

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who: (1) was a member of such Board of Directors on the Issue Date; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

The Company will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders.

SECTION 2.4 Paying Agent To Hold Money in Trust. On or prior to each due date of the principal and interest on any Note, the Company shall deposit with the Paying Agent (or if the Company or a wholly owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Notes and shall notify the Trustee in writing of any default by the Company in making any such payment. If the Company or a Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.4, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.5 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6 Transfer and Exchange.

(a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar or a co registrar with a request:

(x) to register the transfer of such Definitive Notes; or

(y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar or co registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(ii) in the case of Transfer Restricted Notes that are Definitive Notes, are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Transfer Restricted Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in substantially the form set forth on the reverse side of the Note); or

(B) if such Transfer Restricted Notes are being transferred to the Company, a certification to that effect (in substantially the form set forth on the reverse side of the Note); or

(C) if such Transfer Restricted Notes are being transferred pursuant to an exemption from registration in reliance upon an exemption from the registration requirements of the Securities Act, (1) a certification to that effect (in the form set forth on the reverse side of the Note) and (2) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.6(e)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) certification (in the form set forth on the reverse side of the Note) that such Definitive Note is being transferred (A) to the Company, (B) to the Registrar for registration in the name of a Holder, without transfer, (C) pursuant to an effective registration statement under the Securities Act, (D) to a QIB in accordance with Rule 144A, or (E) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act (other than as provided by Rule 144) under the Securities Act; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased accordingly. If no Global Notes are then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes. The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Security, whether before or after the expiration of the Restricted Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse side of the Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Restricted Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(i) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(ii) Notwithstanding any other provisions of this Indenture (other than the provisions set forth in Section 2.7), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) Restrictions on Transfer of Regulation S Global Notes.

(i) Prior to the expiration of the Restricted Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Restricted Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (A) to the Company, (B) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (C) in an offshore transaction in accordance with Regulation S, or (D) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Restricted Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written

certification from the transferor of the beneficial interest in the form provided on the reverse side of the Note to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Restricted Period.

(ii) Upon the expiration of the Restricted Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) Legend.

(i) Each Note certificate evidencing the Global Notes and the Definitive Notes (and all Notes issued in exchange therefor or substitution thereof) shall bear a legend in substantially the following form (the "Restricted Notes Legend"):

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH (2)(E) ABOVE, THE COMPANY RESERVES THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, NO TRANSFERS WILL BE PERMITTED IN RELIANCE ON RULE 144, REGARDLESS OF ITS AVAILABILITY AS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

[IN THE CASE OF REGULATION S NOTES: BY ITS ACQUISITION HEREOF, THE HOLDER HEREOF REPRESENTS THAT IT IS NOT A U.S. PERSON NOR IS IT PURCHASING FOR THE ACCOUNT OF A U.S. PERSON AND IS ACQUIRING THIS SECURITY IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH REGULATION S UNDER THE SECURITIES ACT.]

BY ITS ACQUISITION OF THIS SECURITY, THE HOLDER THEREOF WILL BE DEEMED TO HAVE REPRESENTED AND WARRANTED THAT EITHER (1) NO PORTION OF THE ASSETS USED BY SUCH HOLDER TO ACQUIRE OR HOLD THIS SECURITY CONSTITUTES THE ASSETS OF AN EMPLOYEE BENEFIT PLAN THAT IS SUBJECT TO TITLE I OF THE U.S. EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“ERISA”), OF A PLAN, INDIVIDUAL RETIREMENT ACCOUNT OR OTHER ARRANGEMENT THAT IS SUBJECT TO SECTION 4975 OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) OR PROVISIONS UNDER ANY OTHER FEDERAL, STATE, LOCAL, NON-U.S. OR OTHER LAWS OR REGULATIONS THAT ARE SIMILAR TO SUCH PROVISIONS OF ERISA OR THE CODE (“SIMILAR LAWS”), OR OF AN ENTITY WHOSE UNDERLYING ASSETS ARE CONSIDERED TO INCLUDE “PLAN ASSETS” OF ANY SUCH PLAN, ACCOUNT OR ARRANGEMENT, OR (2) THE ACQUISITION AND HOLDING OF THIS SECURITY WILL NOT CONSTITUTE A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE OR A SIMILAR VIOLATION UNDER ANY APPLICABLE SIMILAR LAWS.

(ii) Upon a sale or transfer after the expiration of the Restricted Period of any Note acquired pursuant to Regulation S, all requirements that such Note bear the Restricted Notes Legend shall cease to apply and the requirements requiring any such Notes be issued in global form shall continue to apply.

(iii) Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(f) Cancellation and/or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, repurchased or canceled, such Global Note shall be returned to the Depositary for cancellation or retained and canceled by the Trustee in accordance with its customary procedures. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

(g) Obligations with Respect to Transfers and Exchanges of Notes.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Registrar's or co-registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Sections 2.8, 3.6, 4.9 and 9.5 of this Indenture).

(iii) The Registrar or co-registrar shall not be required to register the transfer of or exchange of (a) any Definitive Note selected for redemption in whole or in part pursuant to Article 3, except the unredeemed portion of any Definitive Note being redeemed in part, or (b) any Note for a period beginning 15 Business Days before the mailing or sending of a notice of an offer to repurchase or redeem Notes or 15 Business Days before an interest payment date (whether or not an Interest Payment Date or other date determined for the payment of interest), and ending on such mailing or sending date or interest payment date, as the case may be.

(iv) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent, the Registrar or any co registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent, the Registrar or any co registrar shall be affected by notice to the contrary.

(v) All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note in global form shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including without limitation any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do

so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(i) No Rule 144 Transfers. Notwithstanding anything herein to the contrary, no transfers will be permitted in reliance on Rule 144, regardless of its availability as an exemption from the registration requirements of the Securities Act.

SECTION 2.7 Definitive Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Custodian pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.6 and (i) the Depository notifies the Company that it is unwilling or unable to continue as a Depository for such Global Note or if at any time the Depository ceases to be a "clearing agency" registered under the Exchange Act, and, in either case, a successor depository is not appointed by the Company within 90 days of such notice or after the Company becomes aware of such event, (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of certificated Notes under this Indenture. In connection with any proposed transfer of Definitive Notes in exchange for Global Notes, the Company or DTC shall be required to provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.7 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of \$2,000 and whole multiples of \$1,000 thereof and registered in such names as the Depository shall direct. Any certificated Note in the form of a Definitive Note delivered in exchange for an interest in the Global Note shall, except as otherwise provided by Section 2.6(e), bear the Restricted Notes Legend.

(c) Subject to the provisions of Section 2.7(b) above, the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in Section 2.7(a)(i), (ii) or (iii) above, the Company shall promptly make available to the Trustee a reasonable supply of Definitive Notes in fully registered form without interest coupons.

SECTION 2.8 Replacement Notes. If a mutilated Note is surrendered to the Registrar or if a Holder claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8 405 of the Uniform Commercial Code are met, such that the Holder (i) notifies the Company and the Trustee of such loss, destruction or wrongful taking within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (ii) so requests a replacement Note from the Company and the Trustee prior to the Note being acquired by a

bona fide purchaser and (iii) satisfies any other reasonable requirements of the Company and the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Registrar and any co registrar from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

SECTION 2.9 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.9 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.8, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a bona fide purchaser.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereon) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Company, without charge to the Holder.

SECTION 2.11 Defaulted Interest. If the Company defaults in payment of interest on the Notes, the Company will pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Company will fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or send or cause to be mailed or sent to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation and the Trustee shall cancel such Notes in accordance with its customary procedures. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and destroy (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation unless the Company directs the Trustee to deliver canceled Notes to the Company. The Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.13 CUSIP Numbers. The Company in issuing the Notes may use "CUSIP" numbers, ISINs and "Common Code" numbers (in each case if then generally in use) and, if so, the Trustee shall use "CUSIP" numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to

the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will advise the Trustee in writing of any change in any "CUSIP" numbers, ISINs or "Common Code" numbers applicable to the Notes.

SECTION 2.14 Issuance of Additional Notes. After the Issue Date, the Company will be entitled to issue Additional Notes under this Indenture, which Notes shall have identical terms as the Notes issued on the Issue Date, other than with respect to the date of issuance, issue price, original interest accrual date and original interest payment date, and such Additional Notes may not have the benefit of registration rights. All the Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture including waivers, amendments, redemptions and offers to purchase; provided, however, that in the event that any Additional Notes are not fungible with the Notes for U.S. Federal income tax purposes, such nonfungible Additional Notes shall be issued with a separate CUSIP or ISIN number so that they are distinguishable from the Notes.

With respect to any Additional Notes, the Company will set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (b) the issue price, the issue date and the CUSIP number of such Additional Notes and whether such Additional Notes have the benefit of registration rights.

ARTICLE 3.

REDEMPTION

SECTION 3.1 Notices to Trustee. If the Company elects to redeem Notes pursuant to Section 5 of the Notes, it shall notify the Trustee in writing of the redemption date and the principal amount of Notes to be redeemed.

The Company shall give each notice to the Trustee provided for in this Section 3.1 at least 60 days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Company to the effect that such redemption shall comply with the conditions herein. Any such notice may be canceled by written notice of the Company to the Trustee at any time prior to notice of such redemption being mailed or sent to any Holder pursuant to Section 3.4 and shall thereby be void and of no effect.

SECTION 3.2 Selection of Notes To Be Redeemed. If fewer than all the Notes are to be redeemed, the Trustee shall select the Notes to be redeemed by lot or on a pro rata basis to the extent practicable, or on such other basis as the Trustee shall deem fair and appropriate, and, in respect of Global Notes, in compliance with the Applicable Procedures. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than \$2,000. Notes and portions of them the Trustee selects shall be in principal amounts of \$2,000 or a whole multiple of \$1,000 in excess thereof, to the extent practicable. The Company will redeem Notes in principal amounts of \$2,000 in whole and not in part, to the extent practicable. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. If the Notes are being redeemed other than on a pro rata basis, the Trustee shall notify the Company promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.3 Effect of Notice of Redemption. Once a notice of redemption has been mailed or sent under Section 3.4, Notes that are to be redeemed in accordance with such notice and the terms of this Article 3 shall become due and payable on the redemption date; subject to any conditions in connection with the redemption. With respect to registered Notes issued in global form, the principal amount of such Note or Notes will be adjusted in accordance with the Applicable Procedures. Upon surrender to the Paying Agent, such Notes shall be paid under the terms stated in Section 3.4; provided that if the redemption date is after a record date for the payment of interest and on or prior to the related Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date.

SECTION 3.4 Notice of Redemption.

(a) At least 30 days but not more than 60 days before a date for redemption of Notes, the Company will mail a notice of redemption by first-class mail (or otherwise delivered in accordance with the applicable procedures of the Depository) to each Holder of Notes to be redeemed at such Holder's registered address, except that redemption notices may be mailed or delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Note redeemed in accordance with the provisions of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (v) if fewer than all the outstanding Notes are to be redeemed (and if other than on a pro rata basis), the identification numbers and principal amounts (which amounts may be stated as a ratio of the amount to be redeemed per \$1,000 principal amount outstanding) of the particular Notes to be redeemed;
- (vi) that, unless the Company defaults in making such redemption payment, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Notes being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the "CUSIP" number, ISIN or "Common Code" number, if any, listed in such notice or printed on the Notes; and
- (ix) the conditions, if any, applicable to such redemption.

(b) At the Company's request, upon written notice provided to the Trustee at least 15 days (unless a shorter period is satisfactory to the Trustee) prior to the date the redemption notice must be given to the Holders, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company will provide the Trustee with the information required by this Section 3.4 and a copy of the proposed notice of redemption to be mailed or delivered to the Holders.

SECTION 3.5 Deposit of Redemption Price. On or prior to 10:00 a.m. New York City time on the relevant redemption date, the Company will deposit with the Paying Agent (or, if the Company or a wholly owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest, and Applicable Premium, if any, on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Company has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, and Applicable Premium, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.6 Notes Redeemed in Part. Upon surrender of Note that is redeemed in part, if such Note is in certificated form, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

ARTICLE 4.

COVENANTS

SECTION 4.1 Payment of Notes. The Company shall promptly pay the principal of and interest, and Applicable Premium, if any, on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, interest, and Applicable Premium, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Company shall pay interest on overdue principal at the rate specified in the Notes, and it shall pay interest on overdue installments of interest and overdue Applicable Premium, if any, at the same rate to the extent lawful.

SECTION 4.2 Reports.

(a) Notwithstanding that the Company may not be required to remain subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall file with the SEC within the time periods set forth below:

(i) within 90 days after the end of each fiscal year, all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and a report on the annual financial statements by the Company's independent registered public accounting firm;

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section; and

(iii) within 5 days after the applicable number of days specified in the SEC’s rules and regulations, all current reports that would be required to be filed with the SEC on Form 8-K, or any successor or comparable form, if the Company were required to file such reports,

in each case in a manner that complies in all material respects with the requirements specified in such form.

(i) this Indenture would have allowed the Company or any of the Subsidiary Guarantors to create a Lien on such Principal Property to secure debt in an amount at least equal to the Attributable Debt in respect of such Sale/Leaseback Transaction without securing the Notes pursuant to the terms of Section 4.5; or

(ii) within 360 days, the Company or any Subsidiary Guarantor applies an amount equal to the net proceeds of such sale or transfer to:

(ii) the maximum amount of Attributable Debt that the Company or any Subsidiary may Incur in respect of any Sale/Leaseback Transaction shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

(i) Indebtedness of a Person existing at the time such Person is merged with or into, amalgamated with, or is consolidated into, a Subsidiary, or which is assumed by a Subsidiary in connection with an acquisition of substantially all the assets of such Person, so long as such Indebtedness was not created in anticipation of such merger, amalgamation, consolidation or acquisition, and refinancing or replacement Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being refinanced or replaced plus accrued and unpaid interest thereon together with any reasonable fees, premiums (including tender premiums) and expenses relating to such refinancing or replacement and (B) such refinancing or replacement Indebtedness is Incurred by the same Person(s) as the Indebtedness being refinanced or replaced;

(ii) Indebtedness of a Person existing at the time such Person becomes a Subsidiary, so long as such Indebtedness was not Incurred in anticipation of such Person becoming a Subsidiary, and refinancing or replacement Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being refinanced or replaced plus accrued and unpaid interest thereon together with any reasonable fees, premiums (including tender premiums) and expenses relating to such refinancing or replacement and (B) such refinancing or replacement Indebtedness is Incurred by the same Person(s) as the Indebtedness being refinanced or replaced;

(iii) purchase money obligations and refinancing or replacement Indebtedness in respect thereof, so long as (A) the principal amount thereof does not exceed the principal amount of the Indebtedness being refinanced or replaced plus accrued and unpaid interest thereon together with any reasonable fees, premiums (including tender premiums) and expenses relating to such refinancing or replacement and (B) such refinancing or replacement Indebtedness is Incurred by the same Person(s) as the Indebtedness being refinanced or replaced;

(iv) Indebtedness of the Company owing to and held by any Subsidiary or Indebtedness of a Subsidiary owing to and held by the Company or any other Subsidiary;

(viii) Hedging Obligations entered into other than for speculative purposes and the financing of insurance premiums; and

(ix) Indebtedness not excepted by clauses (i) through (viii) above; provided that after giving effect thereto, Exempted Debt does not exceed \$250.0 million in the aggregate at any time outstanding.

(c) In the event that Indebtedness meets the criteria of more than one of the clauses of (i) through (ix) of Section 4.7(b), the Company, in its sole discretion, shall be permitted to classify such Indebtedness (or portion thereof) at the time of its Incurrence in any manner that complies with this covenant. In addition, any Indebtedness (or portion thereof) originally classified as Incurred pursuant to any of clauses (i) through (ix) of Section 4.7(b) may later be reclassified by the Company, in its sole discretion, such that it (or any portion thereof) will be deemed to be Incurred pursuant to any other clause of Section 4.7(b) to the extent that such reclassified Indebtedness (or portion thereof) could be Incurred pursuant to such clause at the time of such reclassification.

(d) Indebtedness Incurred pursuant to clauses (i) through (ix) of Section 4.7(b) by a Subsidiary that subsequently becomes a Subsidiary Guarantor shall cease to be outstanding under such clause at such time as such Subsidiary becomes a Subsidiary Guarantor until such time, if any, that the Company, in its sole discretion, elects to classify or reclassify such Indebtedness as Incurred under any of such clauses to permit the release of such Subsidiary Guarantor's Subsidiary Guarantee as permitted under this Indenture.

(e) For purposes of this Section 4.7:

(i) accrual of interest, accrual of dividends, the accretion of accreted value or original issue discount, the amortization of debt discount and the payment of interest in the form of additional Indebtedness will not be deemed to be an Incurrence of Indebtedness;

(ii) in determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based upon the relevant currency exchange rate in effect on the date such Indebtedness was Incurred; provided, however, that if such Indebtedness is Incurred to refinance or replace other Indebtedness denominated in a foreign currency, and such refinancing or replacement would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness does not exceed the principal amount of such Indebtedness being refinanced or replaced; and

(iii) the maximum amount of Indebtedness that the Company and its Subsidiaries may Incur shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 90 days;

(i) default under any Lien, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness of the Company or any of its Subsidiaries other than Indebtedness owed to the Company or a Subsidiary, whether such Indebtedness exists on the Issue Date or is created after the Issue Date, which default (i) is caused by a failure to pay principal of, or premium, if any, on such Indebtedness at the Stated Maturity

thereof (“Principal Payment Default”) or (ii) results in the acceleration of such Indebtedness prior to its maturity without such Indebtedness having been discharged or the acceleration having been cured, waived, rescinded or annulled, for a period of, in the case of clause (i) or (ii) above, 30 days or more after written notice thereof to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25.0% in aggregate principal amount of the outstanding Notes and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Principal Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million (or its equivalent in other currencies) or more; and

(j) the taking or entering against the Company or any of its Subsidiaries of a judgment or decree for the payment of money in excess of \$100.0 million (or its equivalent in other currencies) in the aggregate, if the Company or such Subsidiary, as the case may be, fails to file an appeal therefrom within the applicable appeal period or, if the Company or such Subsidiary, as the case may be, does file an appeal therefrom within such period, such judgment or decree is not within a period of 90 days from the date thereof, and does not remain, vacated, discharged or stayed.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “Bankruptcy Law” means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

Additionally, a Default under Section 6.1(c) for the failure to deliver any report within the time periods prescribed in Section 4.2 or to deliver any notice or certificate required by this Indenture shall be deemed to be cured upon the subsequent delivery of any such report, notice or certificate, even though such delivery is not within the prescribed period specified.

The Company shall deliver to the Trustee, within 30 days after obtaining knowledge of the occurrence thereof, written notice in the form of an Officers’ Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 6.2 Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(g) or (h) with respect to the Company) occurs and is continuing, the Trustee by written notice to the Company, or the Holders of at least 25.0% in principal amount of the Notes by written notice to the Company and the Trustee, may declare the principal amount of and premium, if any, and accrued but unpaid interest and any other monetary obligations on the Notes to be due and payable immediately. Upon such a declaration, the principal, premium, if any, and interest shall become immediately due and payable. If an Event of Default specified in Section 6.1(g) or (h) occurs with respect to the Company, the principal, premium, if any, and interest on all the Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. At any time after a declaration of acceleration has been made, the Holders of a majority in principal amount of the Notes by notice to the Trustee may rescind and annul that declaration of acceleration and its consequences if the rescission and annulment would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due

solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.3 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4 Waiver of Past Defaults. The Holders of a majority in principal amount of the Notes by notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.5 Control by Majority. The Holders of a majority in principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.1, that the Trustee determines is unduly prejudicial to the rights of other Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.6 Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder has previously given the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25.0% in principal amount of the outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 90 days after receipt of the request and the offer of security or indemnity reasonably satisfactory to the Trustee; and
- (v) the Holders of a majority in principal amount of the outstanding Notes do not give the Trustee a direction inconsistent with the request during such 90-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. In the event that the Definitive Notes are not issued to any beneficial owner promptly after the Registrar has received a request from the Holder of a Global Note to issue such Definitive Notes to such beneficial owner of its nominee, the Company expressly agrees and acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to this Indenture, the right of such beneficial holder of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial holder's Notes as if such Definitive Notes had been issued.

SECTION 6.7 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.8 Collection Suit by Trustee. If an Event of Default specified in Section 6.1(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.7.

SECTION 6.9 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents and take such other actions, including participating as a member, voting or otherwise, of any committee of creditors appointed in the matter, as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, any Subsidiary or any Subsidiary Guarantor, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to first pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7. . To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.7 hereof out of the estate in any such proceeding, shall be unpaid for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

SECTION 6.10 Priorities. If the Trustee collects any money or property pursuant to this Article 6, on or after an Event of Default any money or other property distributable in respect of the Company's or Subsidiary Guarantors' obligations under this Indenture, shall be paid or distributed in the following order:

FIRST: to the Trustee for amounts due under Section 7.7;

SECOND: Holders for amounts due and unpaid on the Notes for principal and interest, ratably, and Applicable Premium (if any), ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest and Applicable Premium (if any), respectively; and

THIRD: to the Company or to such party as a court of competent jurisdiction shall direct, including a Subsidiary Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail or send to each Holder and the Company a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Company, a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10.0% in aggregate principal amount of the Notes.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Company nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7.

TRUSTEE

SECTION 7.1 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the Trust Indenture Act.

(i) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons.

(j) The Trustee assumes no responsibility for the accuracy or completeness of the information concerning the Company or its affiliates or any other party contained in this Indenture, the Offering Memorandum or the related documents or for any failure by the Company or any other party to disclose events that may have occurred and may affect the significance or accuracy of such information. Neither the Trustee nor any Paying Agent shall be responsible for determining whether any Change of Control has occurred and whether any Change of Control Offer with respect to the Notes is required. Neither the Trustee nor any Paying Agent shall be responsible for monitoring the Company's rating status, making any request upon any Rating Agency or determining whether any rating event with respect to the Notes has occurred.

SECTION 7.2 Rights of Trustee.

(a) The Trustee may conclusively rely on any document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel. Any request, demand, notice, or

direction of the Company shall be sufficiently evidenced by an Officers' Certificate or a Company Order, or in writing signed by an Officer.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Trust Officer of the Trustee has actual knowledge or unless written notice from the Company or the Holders of at least 25% of the aggregate principal amount of the Notes of any event which is in fact such a default is received by the Trustee at its Corporate Trust Office and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be liable for special, indirect, exemplary, punitive or consequential damages (including but not limited to loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(i) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture. (i.e. an Incumbency Certificate).

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The permissive rights or powers of the Trustee to do things enumerated in this Indenture shall not be construed as a duty of the Trustee.

(n) The Trustee shall have no obligation to pursue any action that is not in accordance with applicable law.

SECTION 7.3 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co registrar or co paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.4 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Subsidiary Guarantee or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes or the Subsidiary Guarantees.

SECTION 7.5 Notice of Defaults. If a Default occurs hereunder with respect to the Notes, the Trustee within 90 days of such Default shall give the Holders notice of such Default as and to the extent provided by the Trust Indenture Act; provided that a Responsible Officer of the Trustee has actual knowledge of such Default; and provided, however, that in the case of any Default under Section 6.1(c) and Section 6.1(d), no such notice to Holders shall be given until at least 30 days after the occurrence thereof; provided, further, that the Trustee may withhold notice to the Holders, of any Default (except for any Default under Section 6.1(a) or (b) (for which it does not have to provide notice)), if and so long as it in good faith determines that the withholding of the notice is in the interest of the Holders.

SECTION 7.6 Reports by Trustee to Holders. As promptly as practicable after each May 15 beginning with May 15, 2020, and in any event on or prior to July 15 in each such year, the Trustee shall mail or send to each Holder a brief report dated as of such May 15 that complies with Section 313(a) of the Trust Indenture Act if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the Trust Indenture Act.

A copy of each report at the time of its mailing or sending to Holders shall be filed with the SEC (if applicable) and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

SECTION 7.7 Compensation and Indemnity. The Company shall pay to the Trustee, Paying Agent and Registrar from time to time, as agreed to in writing, reasonable compensation for its services. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out of pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts and court costs. The Company and the Subsidiary Guarantors jointly and severally shall indemnify the Trustee, Paying Agent, Registrar, and each of their officers, directors, agents and employees (each in their respective capacities), for and hold each of them harmless against any and all loss, liability, damage, claim, cost, fee or expense (including attorneys' fees and expenses and court costs) incurred by them without gross negligence or willful misconduct on their part as finally adjudicated by a court of competent jurisdiction in connection with the acceptance and administration of this trust and the performance of their duties hereunder, including the costs and expenses of enforcing this Indenture against the Company and the Subsidiary Guarantors (including this Section 7.7), or defending against any claim (whether asserted by the Company, any Subsidiary Guarantor, any

Holder, or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or under the Notes and the Guarantees, and including reasonable attorneys' fees and expenses and court costs incurred in connection with any action, claim or suit brought to enforce the Trustee's right to compensation, reimbursement or indemnification. The Trustee, Paying Agent and Registrar shall notify the Company of any claim for which they may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Company shall not relieve the Company of its indemnity obligations hereunder except to the extent the Company shall have been adversely affected thereby. The Company shall defend the claim and the indemnified party shall provide reasonable cooperation at the Company's expense in the defense. Such indemnified parties may have separate counsel and the Company shall pay the reasonable fees and expenses of one such counsel; provided, however, that the Company shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Company and such parties in connection with such defense. The Company need not pay for any settlement made without its written consent. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence (or willful misconduct or gross negligence of any of such party's officers, directors, agents or employees) as finally adjudicated by a court of competent jurisdiction.

To secure the Company's payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company's payment obligations pursuant to this Section shall survive the discharge of this Indenture and resignation or removal of the Trustee. When the Trustee, Paying Agent or Registrar incurs expenses after the occurrence of a Default specified in Section 6.1(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.8 Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Company in writing. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.8. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Company and the Trustee in writing not less than 30 days prior the effective date of such removal and may appoint a successor Trustee with the consent of the Company, which shall not be unreasonably withheld. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail or send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10.0% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the Trust Indenture Act, any Holder may petition any court of competent jurisdiction, at the expense of the Company, for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee.

(g) The Trustee shall have no responsibility or liability for any action or inaction of a successor Trustee.

SECTION 7.9 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10 Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the Trust Indenture Act. The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the Trust Indenture Act, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the Trust Indenture Act; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met.

SECTION 7.11 Preferential Collection of Claims Against Company. The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated.

ARTICLE 8.

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.1 Discharge of Liability On Notes; Defeasance.

(a) When (i) the Company delivers to the Trustee all outstanding Notes (other than Notes replaced pursuant to Section 2.8) for cancellation or (ii) all outstanding Notes have become due and payable, whether at maturity or as a result of the mailing or sending of a notice of redemption pursuant to Article 3 hereof, and the Company irrevocably deposits with the Trustee funds or U.S. Government Obligations on which payment of principal and interest when due will be sufficient to pay at maturity or upon redemption all outstanding Notes, including interest thereon to maturity or such redemption date (other than Notes replaced pursuant to Section 2.8), and if in either case the Company pays all other sums then payable hereunder by the Company, then this Indenture shall, subject to Section 8.1(c), cease to be of further effect. The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Company.

(b) Subject to Sections 8.1(c) and 8.2, the Company at any time may terminate (i) all its obligations under the Notes and this Indenture ("legal defeasance option") or (ii) its obligations under Article 4 (with the exception of Sections 4.1 and 4.3) and Article 5 and the operation of Sections 6.1(c), 6.1(e), 6.1(f), 6.1(g), 6.1(h), 6.1(i) and 6.1(j) (but, in the case of Sections 6.1(g) and 6.1(h), with respect only to Significant Subsidiaries and the Subsidiary Guarantors) ("covenant defeasance option"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.1(c), 6.1(e), 6.1(f), 6.1(g), 6.1(h), 6.1(i) and 6.1(j) (but, in the case of Sections 6.1(g) and 6.1(h), with respect only to Significant Subsidiaries and the Subsidiary Guarantors) or because of the failure of the Company to comply with Article 5. If the Company exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor shall be released from all its obligations with respect to its Subsidiary Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding clauses (a) and (b) above, the Company's rights and obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.8, 2.9, 2.10, 2.11, 2.12, 7.7, 7.8 and this Article 8 shall survive until the Notes have been paid in full. Thereafter, the Company's rights and obligations in Sections 7.7, 8.4 and 8.5 shall survive.

SECTION 8.2 Conditions to Defeasance.

(a) The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Company irrevocably deposits in trust with the Trustee money in an amount sufficient or U.S. Government Obligations, the principal of and interest on which shall be sufficient, or a combination thereof sufficient to pay the principal of, and premium (if any), and

interest, on the Notes when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date;

(ii) the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm delivered to the Trustee, with customary assumptions expressing their opinion to the effect that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal and interest when due on all the Notes to maturity or redemption, as the case may be;

(iii) such defeasance or covenant defeasance does not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act of 1940, as amended, unless such trust shall be registered under the Investment Company Act or exempt from registration thereunder;

(iv) such defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, any indenture or other agreement or instrument for borrowed money to which the Company is a party or by which the Company is bound (other than a default or event of default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other indebtedness and, in each case, the granting of Liens in connection therewith);

(v) no Default or Event of Default under this Indenture has occurred and is continuing after giving effect to such defeasance or covenant defeasance (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any simultaneous deposit relating to other indebtedness and, in each case, the granting of Liens in connection therewith);

(vi) the Company is not “insolvent” within the meaning of any Bankruptcy Law on the date of such deposit;

(vii) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the Notes will not recognize income, gain or loss for United States federal income tax purposes as a result such defeasance and that such defeasance will not otherwise alter those beneficial owners’ United States federal income tax treatment of principal and interest payments on the Notes;

(viii) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the Notes will not recognize income, gain or loss for United States federal income tax purposes as a result such defeasance and that such defeasance will not otherwise alter those beneficial owners’ United States federal income tax treatment of principal and interest payments on the Notes; and

(ix) the Company delivers to the Trustee an Officers’ Certificate and an Opinion of Counsel, each to the effect that all conditions precedent to such defeasance or defeasance as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

SECTION 8.3 Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4 Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

SECTION 8.5 Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6 Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENTS

SECTION 9.1 Without Consent of Holders.

(a) The Company, the Subsidiary Guarantors and the Trustee may amend this Indenture, the Notes or the Subsidiary Guarantees without notice to or consent of any Holder:

- (i) to evidence the assumption by a successor Person of the obligations of the Company or any Subsidiary Guarantor under this Indenture, the Notes or a Subsidiary Guarantee, as applicable, in compliance with Article 5;
- (ii) to add guarantees with respect to the Notes or release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or this Indenture in accordance with the applicable provisions of this Indenture;

- (iii) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee;
 - (iv) to surrender any right or power this Indenture may confer on the Company;
 - (v) to add to the covenants made in this Indenture for the benefit of the Holders of all Notes (as determined in good faith by the Company and evidenced by an Officers' Certificate);
 - (vi) to make any change that does not adversely affect the rights of any Holder of Notes (as determined in good faith by the Company and evidenced by an Officers' Certificate); provided, however, that the Trustee shall not be responsible for making such determination;
 - (vii) to add any additional Events of Default;
 - (viii) to secure the Notes or any Subsidiary Guarantee;
 - (ix) to evidence and provide for the acceptance of appointment by an additional or successor Trustee with respect to the Notes;
 - (x) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture as the Company and the Trustee may deem necessary and desirable; provided that such action shall not adversely affect the rights of the Holders of the Notes in any material respect (as determined in good faith by the Company and evidenced by an Officers' Certificate);
 - (xi) to conform the text of this Indenture, the Notes or the Subsidiary Guarantees to any provision contained under the heading "Description of notes" in the Offering Memorandum to the extent that such provision contained under the heading "Description of notes" in the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Subsidiary Guarantees (as determined in good faith by the Company and evidenced by an Officers' Certificate);
 - (xii) to provide for the issuance of Additional Notes of the same or another series in accordance with the limitations set forth in this Indenture as of the Issue Date, or to provide for the issuance of exchange notes;
 - (xiii) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance, administration and book-entry transfer of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; or
 - (xiv) to obtain or maintain the qualification of this Indenture under the Trust Indenture Act or other applicable law.
- (b) After an amendment under this Section 9.1 becomes effective, the Company shall mail or send to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.2 With Consent of Holders; Waiver.

(a) The Company, the Subsidiary Guarantors and the Trustee may amend any of this Indenture, the Notes or the Subsidiary Guarantees without notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes). However, no modification or amendment may, without the consent of the Holder of each outstanding Note affected thereby:

(i) change the stated maturity of the principal of, or any installment of interest payable on, the outstanding Notes;

(ii) reduce the principal amount of, or the rate of interest on, any outstanding Notes or the premium, if any, payable upon the redemption thereof, or the amount of principal of an original issue discount Note, that would be due and payable upon redemption of such Note (other than the provisions pursuant to Section 4.9) or would be provable in bankruptcy, or adversely affect any right of repayment of the Holder of the outstanding Notes;

(iii) reduce the amount of principal of Notes payable upon acceleration of the maturity thereof;

(iv) change the place of payment or the coin or currency in which the principal of or premium, if any, or the interest on the outstanding Notes is payable;

(v) impair any Holder's right to receive payment of principal, premium, if any, and interest on the outstanding Notes on or after the due dates therefor or any Holder's right to institute suit for the enforcement of any payment on or with respect to the outstanding Notes;

(vi) modify the Subsidiary Guarantees in any manner adverse to the Holders of the Notes (but, for the avoidance of doubt, not including modifications to any of the provisions set forth in Section 10.6 or Section 4.7);

(vii) reduce the percentage of the Holders of the outstanding Notes necessary to modify or amend this Indenture, to waive compliance with any provision of this Indenture or certain Defaults and consequences of the Defaults or to reduce the quorum or voting requirements set forth in this Indenture; or

(viii) modify any of the provisions of this Section 9.2 or any of the provisions relating to the waiver of certain past defaults or provisions of this Indenture, except to increase the required percentage to effect such action or to provide that certain other provisions may not be modified or waived without the consent of all of the Holders of Notes.

(b) It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(c) After an amendment under this Section 9.2 becomes effective, the Company shall mail or send to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

(d) The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, on behalf of the Holders of all the Notes, waive (including, without limitation, by consent obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes) compliance by the Company with any provision of this Indenture. The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, on behalf of the Holders of all the Notes, waive (including, without limitation, by consent obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes) past defaults by the Company under certain covenants of this Indenture which relate to the Notes. However, a default in the payment of the principal of, premium, if any, or interest on, any of the Notes or relating to a provision which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected cannot be so waived.

SECTION 9.3 Compliance with Trust Indenture Act. Every amendment to this Indenture or the Notes shall comply with the Trust Indenture Act as then in effect.

SECTION 9.4 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Company or the Trustee of the requisite number of consents, (ii) satisfaction of the conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or Guarantee Agreement) by the Company and the Trustee.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5 Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.6 Trustee To Sign Amendments. The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.1) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel to the effect that such amendment is authorized or permitted by this Indenture and complies with the provisions hereof and is legally valid and binding against the Company and the Subsidiary Guarantors.

SUBSIDIARY GUARANTEES

SECTION 10.1 Subsidiary Guarantees.

(a) Each Subsidiary Guarantor hereby jointly and severally irrevocably and unconditionally guarantees to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, or interest on in respect of the Notes and all other monetary obligations of the Company under this Indenture and the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise, (ii) any extension or renewal of any thereof, (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement, (iv) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations or (v) any change in the ownership of such Subsidiary Guarantor.

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor’s obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company’s or such Subsidiary Guarantor’s obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Section 8.1(b), 10.2 and 10.6, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise.

Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(f) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 10.1.

(i) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.1.

(j) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 10.2 Limitation on Liability. Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.3 Successors and Assigns. This Article 10 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.4 No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.5 Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.6 Release of Subsidiary Guarantor. A Subsidiary Guarantor shall be automatically released from its obligations under this Article 10 (other than any obligation that may have arisen under Section 10.7) upon:

(a)

(i) the release of such Subsidiary Guarantor from its obligations as a guarantor under the Revolving Credit Facility or in respect of such other debt that caused it to become a Subsidiary Guarantor under Section 4.7, so long as such Subsidiary Guarantor would not then otherwise be required to be a Subsidiary Guarantor pursuant to Section 4.7;

(ii) the sale, issuance or other disposition of Capital Stock of such Subsidiary Guarantor (including by way of merger or consolidation) such that such Subsidiary Guarantor ceases to be a Subsidiary of the Company, or the sale of all or substantially all of the assets of such Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Subsidiary, so long as the sale, issuance or other disposition does not violate Section 5.1;

(iii) immediately prior to or following the dissolution of such Subsidiary Guarantor; and

(iv) the Company exercising its legal defeasance option or its covenant defeasance option pursuant to Article 8 or if the Company's obligations under this Indenture are discharged in accordance with the terms of this Indenture;

(b) such Subsidiary Guarantor delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions provided for in this Indenture relating to such transaction have been complied with; and

(c) at the request of the Company, the Trustee shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Company).

SECTION 10.7 Execution of Guarantee Agreement for Future Subsidiary Guarantors. Each Subsidiary which is required to become a Subsidiary Guarantor pursuant to Section 4.7 shall within the time period specified therein execute and deliver to the Trustee a Guarantee Agreement pursuant to which such Subsidiary shall become a Subsidiary Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such Guarantee Agreement, the Company will deliver to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions provided for in this Indenture relating to such transaction have been complied with.

SECTION 10.8 Non-Impairment. The failure to endorse a Subsidiary Guarantee on any Note shall not affect or impair the validity thereof.

SECTION 10.9 Contribution. Each Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's pro rata portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or other unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

4.000% Senior Note due 2029

1. Interest

MSCI Inc., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company shall pay interest semiannually on May 15 and November 15 of each year. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from November 7, 2019 until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment

The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the May 1 or November 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor Depository. The Company shall make all payments in respect of a Definitive Note (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Notes may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, Wells Fargo Bank, National Association (the “Trustee”), shall act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated wholly owned Subsidiaries may act as Paying Agent (prior to an Event of Default) or Registrar.

4. Indenture

The Company issued the Notes under an Indenture dated as of November 7, 2019 (the “Indenture”), among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “Trust Indenture Act”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture and the Trust Indenture Act for a statement of such terms and provisions.

The Notes are senior unsecured obligations of the Company. The Company shall be entitled to issue Additional Notes pursuant to Section 2.14 of the Indenture. The Original Notes (as defined in the Indenture) and any Additional Notes shall be treated as a single class for all purposes of the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, create or incur Liens, and enter into certain Sale/Leaseback Transactions. The Indenture also imposes limitations on the ability of the Company to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its property.

To guarantee the due and punctual payment of the principal of, and interest on the Notes and all other amounts payable by the Company under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Subsidiary Guarantors have jointly and severally unconditionally guaranteed the Guaranteed Obligations on a senior unsecured basis pursuant to the terms of the Indenture.

5. Optional Redemption

Except as set forth in the following paragraphs of this Section 5, the Notes shall not be redeemable at the option of the Company prior to November 15, 2024.

On and after November 15, 2024, the Company shall be entitled at its option on one or more occasions to redeem all or a portion of the Notes (which, for the avoidance of doubt, includes Additional Notes) at the following redemption prices (expressed in percentages of principal amount on the redemption date), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on November 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2024	102.000%
2025	101.333%
2026	100.667%
2027 and thereafter	100.000%

In addition, at any time prior to November 15, 2022, the Company may at its option on one or more occasions redeem in an aggregate principal amount not to exceed 35.0% of the aggregate principal amount of the Notes (which, for the avoidance of doubt, includes Additional Notes) originally issued at a redemption price (expressed as a percentage of principal amount) of 104.000%, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), with the net cash proceeds from one or more Qualified Equity Offerings; provided, however, that (a) after giving effect to any such redemption, at least 50.0% of the original aggregate principal amount of the Notes (excluding any Additional Notes, if any) originally issued under the Indenture remains outstanding immediately after the occurrence of each such redemption; and (b) each such redemption occurs within 90 days after the date of the related Qualified Equity Offering.

Prior to November 15, 2024, the Company shall be entitled at its option to redeem all or a portion of the Notes (which, for the avoidance of doubt, includes Additional Notes) at a redemption price equal to 100.0% of the principal amount of the Notes plus accrued and unpaid interest, if any, and Applicable Premium to the redemption date (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date). Calculation of the redemption price will be made by the

Company or on the Company's behalf by such person as it shall designate; provided that such calculation or the correctness thereof shall not be a duty or obligation of the Trustee.

Any redemption notice may, at the Company's discretion, be subject to one or more conditions precedent, including completion of a Qualified Equity Offering, refinancing transaction or other corporate transaction. If any condition precedent has not been satisfied, the Company will provide written notice to the Trustee prior to the close of business two Business Days prior to the redemption date. Upon receipt of such notice, the notice of redemption shall be rescinded and the redemption of the Notes shall not occur. Upon receipt, the Trustee shall provide such notice to each Holder in the same manner in which the notice of redemption was given.

6. Sinking Fund

The Notes are not subject to any sinking fund.

7. Notice of Redemption

Notice of any redemption pursuant to Section 5 above shall be mailed by first-class mail (or otherwise delivered in accordance with the Applicable Procedures) at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his or her registered address, except that redemption notices may be mailed (or otherwise delivered in accordance with the Applicable Procedures) more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Note redeemed in accordance with provisions of the Indenture. Notes in denominations of \$2,000 or less may be redeemed in whole but not in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof to be redeemed. We will issue a new Note in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. With respect to registered Notes issued in global form, the principal amount of such Note or Notes will be adjusted in accordance with the Applicable Procedures. Notes held in certificated form must be surrendered to the Paying Agent in order to collect the redemption price. Unless the Company defaults in the payment of the redemption price, on and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

8. Repurchase of Notes at the Option of Holders upon Change of Control Triggering Event

In accordance with Section 4.9 of the Indenture, the Company shall be required to offer to purchase Notes upon the occurrence of a Change of Control Triggering Event. Any Holder of Notes shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Notes of such Holder at a purchase price equal to 101.0% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

9. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in denominations of \$2,000 and whole multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Notes for a period of 15 Business Days before the mailing or sending of a notice of an offer to repurchase or redeem Notes or 15 Business Days before an interest payment date (whether or not an Interest Payment Date or other date determined for the payment of interest), and ending on such mailing or sending date or interest payment date, as the case may be.

10. Persons Deemed Owners

The registered Holder of this Note shall be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, interest, or Applicable Premium (if any) remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money to the Company upon its written request unless an applicable abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal of, and interest on, the Notes to redemption or maturity, as the case may be.

13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes and (ii) any default may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture or the Notes: (i) to evidence the assumption by a successor Person of the obligations of the Company or any Subsidiary Guarantor under the Indenture, the Notes or a Subsidiary Guarantee, as applicable, in compliance with Article 5 of the Indenture; (ii) to add guarantees with respect to the Notes or release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or the Indenture in accordance with the applicable provisions of the Indenture; (iii) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee; (iv) to surrender any right or power the Indenture may confer on the Company; (v) to add to the covenants made in the Indenture for the benefit of the Holders of all Notes (as determined in good faith by the Company and evidenced by an Officers' Certificate); (vi) to make any change that does not adversely affect the rights of any Holder (as determined in good faith by the Company and evidenced by an Officers' Certificate); provided, however, that the Trustee shall not be responsible for making such determination; (vii) to add any additional Events of Default; (viii) to secure the Notes or any Subsidiary Guarantee; (ix) to evidence and

provide for the acceptance of appointment by an additional or successor Trustee with respect to the Notes; (x) to cure any ambiguity, defect or inconsistency in the Indenture, or to make any other provisions with respect to matters or questions arising under the Indenture as the Company and the Trustee may deem necessary and desirable; provided that such action shall not adversely affect the rights of the Holders of the Notes in any material respect (as determined in good faith by the Company and evidenced by an Officers' Certificate); (xi) to conform the text of the Indenture, the Notes or the Subsidiary Guarantees to any provision contained under the heading "Description of notes" in the Offering Memorandum to the extent that such provision contained under the heading "Description of notes" in the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture, the Notes or the Subsidiary Guarantees (as determined in good faith by the Company and evidenced by an Officers' Certificate); (xii) to provide for the issuance of Additional Notes of the same or another series in accordance with the limitations set forth in the Indenture as of the Issue Date, or to provide for the issuance of exchange notes; (xiii) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Notes as permitted by the Indenture, including, without limitation, to facilitate the issuance, administration and book-entry transfer of the Notes; provided, however, that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; or (xiv) to obtain or maintain the qualification of the Indenture under the Trust Indenture Act or other applicable law.

14. Defaults and Remedies

Under the Indenture, Events of Default include: (a) default for 30 days in the payment of any interest on the Notes when due; (b) default in the payment of principal or premium, if any, on the Notes when due at its stated maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise; (c) the failure by the Company to comply for 30 days after notice with any of its obligations under Section 5.1 of the Indenture; (d) the failure by the Company to comply for 30 days after notice with any of its obligations under Section 4.9 of the Indenture (other than a failure to purchase Notes); (e) the Company or any Subsidiary Guarantor defaults in the performance of or breaches any other covenant or agreement of the Company or such Subsidiary Guarantor, as applicable, in the Indenture (other than a failure to comply with Section 6.1(c) or (d) of the Indenture) with respect to the Notes of such series or any guarantee relating thereto, as applicable, and such default or breach continues for a period of 90 days after written notice is given to the Company by the Trustee or to the Company and the Trustee by the Holders of 25.0% or more in aggregate principal amount of the Notes of such series specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" as defined in the Indenture; (f) the Subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect except as otherwise permitted under the Indenture or is declared null and void in a judicial proceeding or is disaffirmed by the Subsidiary Guarantor that is a Significant Subsidiary; (g) certain events of bankruptcy, insolvency or reorganization; (h) certain accelerations (including failure to pay within any grace period after final maturity) of other Indebtedness of the Company if the amount accelerated (or so unpaid) exceeds \$100.0 million; and (i) certain judgments or decrees for the payment of money in excess of \$100.0 million.

If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25.0% in principal amount of the Notes by notice to the Company and the Trustee, may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which shall result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security

satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default in payment of principal or interest) if it determines that withholding notice is in the interest of the Holders.

15. Trustee Dealings with the Company

Subject to certain limitations imposed by the Trust Indenture Act, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Company or any Subsidiary Guarantor, or of any stockholder of the Company or any Subsidiary Guarantor, shall not have any liability for any obligations of the Company or any Subsidiary Guarantor, either directly or through the Company or any Subsidiary Guarantor, as the case may be, under the Notes or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation whether by virtue of any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise. By accepting a Note, each Holder shall waive and release all and all such liability. The waiver and release shall be part of the consideration for the issue of the Notes.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

19. Governing Law

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

The Indenture provides that the Company, the Trustee, and each Holder by its acceptance thereof, irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Indenture, the Notes or any transaction contemplated thereby.

20. CUSIP and ISIN Numbers
